## Scholarship Program 2010

North Central Area Credit Union is committed to support community academic education. We feel strongly about helping our members achieve their educational goals to improve the quality of life at home and in the community. We are providing the opportunity for second year students to earn scholarships after completing their first year and up to four years of education. There is very few opportunities for scholarships at these education levels. NCACU believes that after a student completes one year of education and continues earning their degree, they have earned our support and trust to complete their education.

*Please read the following application information carefully and return the required documents before June 16th, 2010.*

### Who Is Eligible?

You are eligible to apply for a NCACU Scholarship...

1. If you are a member in good standing.
2. If you have completed 24 credit hours of college level courses.
3. If you plan to continue your education to achieve a degree at a accredited two or four year college or vocational-technical school.
4. If you can provide a record of social involvement in the community and extra curricular activities.

Scholarship recipients are eligible to re-apply up to three subsequent years. New applications must be completed each year and submitted to the scholarship committee.

### How are Recipients Selected?

The North Central Area Credit Union Scholarship Committee is made up of a official family members and one selected employee. Scholarships are awarded to applicants who demonstrate academic excellence, citizenship, community and school involvement and are NCACU members in good standing. Only complete applications and documentation will be considered. All applications must be signed and completed by the student applicant. The scholarship committee reserves the right to request a personal interview.

### How Much are the Awards and how do I qualify?

NCACU scholarship amount is one \$500 award per each location in Grayling, Houghton Lake, Roscommon and Standish. The applicants qualify based on an average over all score of at least 75% or higher of all applicants that apply during that current year. If there are no applicants that qualify with a 75% or higher in one given location, there will be no award given to that location area during that year. An additional \$1000 is awarded to the highest score of all applicants. The scoring system is a organized point evaluation based on academics, community and school involvement, word essay and letters of recommendation.
